

Pixie Mech Keys

Stylize Your Keyboard With Finer Keycaps

Give your mechanical keyboard a final touch with robust and high quality keycaps. We have a wide range of sets to complement your switches.

You can find a collection of peppy keycap sets made with laser-etched ABS, or double-shot PBT.

We also have a variety of slim keycaps for your low profile switches.

Pixie Mech Keys provides legend printing service for custom key sets.

We print the legends in many different styles, special symbols or characters of your choice.
